SEPTEMBER 11 TENTH ANNIVERSARY NEARS

The tenth anniversary of the September 11, 2001 terrorist attack on the World Trade Center in New York, the Pentagon and other targets will occur this year on Sunday September, 11, 2011. We would like pictures and accounts of how your service observed this day. Please send these to AMBUGLANCES Editor and Website Webmaster David Loftin @ loftindavid@yahoo.com

10th Anniversary National "Fly the Flag Program"

On Sunday, September 11th, 2011, an American flag should be displayed outside every home, apartment, office, and store in the United States. Every individual should make it their duty to display an American flag on this tenth anniversary of one our country's worst tragedies. We do this in

honor of those who lost their lives on 9/11, their families, friends and loved ones who continue to endure the pain, and those who today are fighting at home and abroad to preserve our cherished freedoms.

In the days, weeks and months following 9/11, our country was bathed in American flags as citizens mourned the incredible losses and stood shoulder-to-shoulder against terrorism. Sadly, those flags have all but disappeared. Our patriotism pulled us through some tough times and it shouldn't take another attack to galvanize us in solidarity. Our American flag is the fabric of our country and together we can prevail over terrorism of all kinds!

Action Plan:

So, here's what we need you to do (1) Forward this email to everyone you know (at least 11 people). Please don't be the one to break this chain. Take a moment to think back to how you felt on 9/11 and let those sentiments guide you.

(2) Fly an American flag of any size on 9/11. Honestly, Americans should fly the flag year-round, but if you don't, then at least make it a priority on this day.

Thank you for your participation.
